CARS is adapted from the [Composite International Diagnostic Instrument \(CIDI\) for DSM-IV.](#)

Post-Traumatic Stress Disorder (PTSD)

MODULE ENTRY: SC35C=YES

PT1. In the next part of the interview, we ask about very stressful or upsetting events that might have happened to you during your life. Have you directly experienced any of the following?

[INTERVIEWER: If an event is endorsed, ask the follow-up questions at right. Age should not be greater than participant's current age.]

- Exposure to war as a combatant or civilian (1)
- Threatened or actual physical assault (e.g., physical attack, robbery, mugging, childhood physical abuse) (2)
- Threatened or actual sexual violence (e.g., forced sexual penetration, alcohol/drug facilitated sexual penetration, abusive sexual contact, non-contact sexual abuse, sexual trafficking) (3)
- Being kidnapped (4)
- Being taken hostage (5)
- Terrorist attack (6)
- Torture (6)
- Incarceration as a prisoner of war (8)
- Natural or human-made disaster (e.g., earthquake, fire, explosion, chemical spill) (9)
- Accident (e.g., severe motor vehicle accident) (10)
- Inappropriate childhood sexual experience (11)
- Sudden catastrophic medical incident (e.g., stroke, heart attack, waking during surgery, anaphylactic shock) (12)
- Other stressful or upsetting event (please specify) (13)**

- I have not experienced any stressful or upsetting events (0)

DISABLE DK/RF FOR THIS QUESTION

PT2. The next question is about stressful or upsetting experiences that you may have witnessed in person. Have you directly witnessed any of the following?

- Threatened or serious injury of another person (14)
- Unnatural death of another person (15)
- Physical or sexual abuse of another person due to violent assault (16)
- Domestic violence (17)
- Accident (18)
- War or disaster (19)
- Major medical emergency of your child (20)
- Other stressful or upsetting event you witnessed (please specify) (21)**

- I have not witnessed any stressful or upsetting events (0)

DISABLE DK/RF FOR THIS QUESTION

PT3. The next question is about experiences that occurred to someone very close to you that made you feel extremely stressed or upset. Have you felt very stressed or upset upon learning that someone very close to you experienced any of the following events?

- Violent personal assault (22)
- Suicide (23)
- Serious accident (24)
- Serious injury (25)
- Other stressful or upsetting event you learned a person very close to you experienced (please specify) (26)**

- I have not felt stressed or upset upon learning about the experiences of someone close to me (0)

DISABLE DK/RF FOR THIS QUESTION

PT4. Some people are exposed to details of stressful or upsetting events repeatedly or in great depth because of their job. For example, first responders, police officers, and paramedics might encounter the aftermath of an accident or a violent crime. Have you ever been exposed to distressing details of an upsetting event because it was a part of your job?

- Yes
- No

PT5. Did you ever experience any other extremely traumatic or life-threatening event that I haven't asked about yet?

- Yes
- No **GO TO PT6**

IF DK/RF GO TO PT6

PT5a. Briefly, what was the one most traumatic event that you have not yet told me about?
[IF NEC: “If you have more than one event like this, tell me about the one you found to be the most traumatic.]

PT6. Sometimes people have experiences they don’t want to talk about in interviews. I won’t ask you to describe anything like this, but did you ever have a traumatic event that you didn’t tell me about because you didn’t want to talk about it?

- Yes, I experienced a traumatic private event.
- No

PT10. Let me review. You had PTFILL1 *traumatic experiences: for example*, you PTFILL2. After traumatic experiences like the ones you've had, people sometimes have problems like upsetting memories or dreams, feeling emotionally distant or depressed, trouble sleeping or concentrating, or feeling jumpy or easily startled. These problems can last for years. Of the experiences you mentioned to me, which one caused you the most problems like these? That is, which one experience caused the largest number or most intense problems?

PT76. Think of the time when these reactions were most frequent and intense. How much distress did these reactions cause you during that worst time? - very severe, severe, moderate, mild, or no distress?

- Very Severe
- Severe
- Moderate
- Mild
- None

PT77. Think of the time when these reactions were most frequent and intense. How much did these reactions disrupt or interfere with your normal, daily life during that worst time - an extreme amount, a lot, some, a little, or not at all?

- An extreme amount
- A lot
- Some
- A little
- Not at all

PT78a. For about how many days, weeks, months, or years did you continue to have any of these reactions?

[If volunteered "It's still going on", probe: "How long has it been so far?"]

days weeks months

DK/RF DISABLED FOR THIS QUESTION

PT79. The next questions ask about your experiences with PTFILL14 PTFILL15. Experiences of this sort sometimes occur as a result of physical causes such as physical illness or injury or the use of medication, drugs, or alcohol. Do you think your PTFILL15 ever occurred as a result of such physical causes?
