O63. Earlier in the interview, you reported that you felt driven to do certain behaviors over and over, either physically or in your mind. For example, some people check the stove in their home again and again, many times a day, no matter how many times they see that the stove is turned off. Was there ever a time in your life when you repeatedly carried out any of the following behaviors:

| | Yes | No |
|--|-----------------------|-----------------------|
| O63a. Repeatedly washing, cleaning, or decontaminating? | <input type="radio"/> | <input type="radio"/> |
| O63b. Repeatedly checking things like locks or stoves, or repeatedly making sure that no harm or injury was done to yourself or someone else? | <input type="radio"/> | <input type="radio"/> |
| O63c. Repeatedly straightening, lining up, arranging, counting, or touching things, or doing things in an exactly defined order? | <input type="radio"/> | <input type="radio"/> |
| O63e. Any other repetitive behaviors that you felt driven to do, such as going over and over a moral argument in your mind, or praying over and over for forgiveness, or some other physical or mental act you felt you had to do repeatedly? | <input type="radio"/> | <input type="radio"/> |

O66. You mentioned OFILL13. I will use the phrase “repeated behaviors” to refer to these repeated physical or mental acts. The next questions focus just on these repeated behaviors, not the thoughts I asked about earlier.

During the time in your life when you were doing these repeated behaviors, how often did any of them seem excessive or unreasonable to you - all the time, most of the time, some of the time, a little of the time, or none of the time?

FILL RULES:

IF O63a=1 OR O13a=1
OFILL13=OID8

IF O63b=1 OR O13b=1
OFILL13=OID9

IF O63c=1 OR O13c=1
OFILL13=OID10

IF O63e=1 OR O13e=1
OFILL13=OID12
